

Prorated Member Dues

Lodge membership year runs from June through May. When you join Seattle Lodge in the middle of the membership year, your dues for the first year will be prorated.

The prorated amount is calculated as follows: divide the annual rate by 12 and then multiply by the number of months you are prorating it for.

$$\text{Prorated Amount} = \left(\frac{\text{Annual rate}}{12} \right) \times \text{number of months}$$

For example, if you are joining in March as a single individual applying for basic membership (\$48 / year), you will prorate your annual dues for the three months of March through May as follows:

$$\$12 = \left(\frac{48}{12} \right) \times 3$$
